

Chesterfield County
Open Data
Access Terms, Conditions, and Disclaimers

The geographic and property information contained throughout this site (collectively referred to as “Data”) you are about to access from Chesterfield County’s Open Data site are provided as a public resource. All information obtained from the County’s Open Data site is provided “as is” and Chesterfield County makes no warranties, express or implied, relating to the Data including, but not limited to implied warranties of merchantability and fitness for a particular purpose. You, as the USER, ACCEPT ALL RISKS THAT THE DATA MAY NOT MEET ANY OR ALL USER EXPECTATIONS.

Chesterfield County has made reasonable efforts to assure that the Data is correct. However, no guarantee is made as to the positional, thematic or other accuracy of the Data. Pursuant to Section 54.1-402 of the Code of Virginia, any determination of topography or contours, or any depiction of physical improvements, property lines or boundaries, are solely for general information and shall not be used, or relied upon, in the design, modification, or construction of improvements to real property or for resource protection area or flood plain determination. The Data is not a legal representation of information depicted and as such, has no legal bearing on the true shape, size, area, location or existence of the real property depicted. The Data should not substitute for a professional survey or deed research. You, as the user of this site, are encouraged to consult the legal documents used in the creation of the Data, which can be found within the deeds and plats recorded and stored by the Clerk of the Circuit Court of Chesterfield County.

Chesterfield County does not assume any responsibility for any errors, deficiencies, defects, omissions, or inaccuracies in the Data. Chesterfield County shall not be liable to the user, or to any other person, for any actions; claims; incidental, consequential or special damages – including loss of facilities (computer resources, stored data), lost profits, business interruption, loss of business information or other pecuniary loss; or judgments arising out of, or in connection with, the use or misuse, reliance on, or performance of, the Data. The user of this information assumes all liability for his/her use of any Data obtained.

Aerial photography images were obtained in different years using different methods. At the same time, vector map layers have been created and maintained separate from the aerial photography. As such, there may be areas where the map layers do not align precisely with the aerial imagery. Once again, the Data provided is for information purposes only.

Copyright

Unless otherwise noted, the Data is public domain and made available with a Creative Commons CC0 1.0 Universal dedication. In short, Chesterfield County waives all rights to the data worldwide under copyright law, including all related and neighboring rights, to the extent allowed by law. You can copy, modify, distribute, and perform analyses on the data, even for commercial purposes, all without asking permission. Chesterfield County makes no warranties about the data, and disclaims liability for all uses of the data, to the fullest extent permitted by applicable law.

Attribution

While not required, we request that you give proper credit when using data from the Sites in your own work. An example citation is provided below:
